

**EECS 461 Probability and Statistics**

**Fall Semester 2022**

**Assignment #1 Due August 2022**

**Appeal Request**

**Morgan Bergen**

**Attached is Assignment #1 containing my justification for appealing the original grade granted to this assignment. Questions 1 - 9 were not provided due to a printing error prior to attending class, additionally questions 14 and 16 were only partially answered due to an undefined inability to properly determine what results/outcomes were required from the questions given.**
